

Example Positions/Jobs

- SPP Coordinators
- SPP Directors
- NGB Joint Staff (J53)
- GCC Staff
- NGB BAOs
- DOD SPP Stakeholders

Functional Area Description

The State Partnership Program (SPP) functional track is provided for practitioners and relevant stakeholders to understand, implement, integrate, and sustain the State Partnership Program (USC Title 10, §341) as part of U.S. Security Cooperation in alignment with and support of United States national security strategy.

How will this prepare you better for your work?

The learner will be able to demonstrate an understanding of the National Guard management and administration of the DoD's State Partnership Program (SPP), recognize the many interrelated aspects of the SPP with other security cooperation authorities, programs, and stakeholders. The learner will be able to demonstrate the linkage between U.S. National Security goals and objectives and their State Partnership Program activities with foreign partners. The learner will be able to plan and execute SPP activities in compliance of U.S. law and policy, nested within U.S. strategic guidance, using the authorized resources available to the program, while contributing to Assessment, Monitoring & Evaluation (AM&E) requirements.
